Dear Mr. Kunzler,

I am writing to you to request an extension on the Reclamation Contract for the Briggs Quarry. It is now the middle of June and we are having to dig snow out of the roadway to the quarry making it impossible to complete our tasks there.

We are asking for an extension for the 1<sup>st</sup> of November to make it physically and economically feasible to complete the reclamation.

We appreciate your assistance in this matter.

Sincerely,

Barry Peterson
